TRANSFORMATIONAL LEADERSHIP

The Training & Education Division of presents an eight (8) hour POST and STC certified course, *Transformational Leadership*: communication, choice, and emotional intelligence. This course is a training that inspires change in individuals, teams and social systems. This course and training will also develop individuals' communication skills and practices. Participants are required to participate in open dialogue and discussion related to effective and ineffective leadership practices that can build or destroy one's credibility. The course contains contemporary leadership methods designed to enhance the characteristics of a transformational leader. Some topics covered include:

- Effective Leadership
- Self-Deception/Self-Reflection
- Maximizing Emotional Intelligence
- Effect Positive Change in Followers
- Communication Techniques
- Prepare Followers into Leaders
