Saving money is a priority in any business and especially necessary for government agencies during times of fiscal uncertainty. We know everyone is working hard to provide services and reduce overhead, and as such we would like to introduce you to our business.

If you have the need for employee recognition awards or plaques, nameplates, nametags, metal parking signs, banners, vehicle decals or any other type of sign, the RCCC Jail Industries program may be able to help you. These products are available through our program at a substantial savings! We usually can provide these products for about 20% below the retail market with a turn around time unmatched in the industry.

If you take advantage of our services you will be saving money without sacrificing quality. You will also be helping those individuals who are incarcerated and are attempting to learn a trade they will be able to use upon release. This program has benefited literally thousands of inmates who have acquired professional skills over the past 15 years.

The Jail Industries Program is located at the Rio Cosumnes Correctional Center and has enjoyed an outstanding reputation since 1994. When considering your next purchase, please give us a call and let us have the opportunity of earning your business.
